Class Descriptions & Pricing

Gentle Circuit Class: 45 minutes - This class is low impact and focuses on improving cardiovascular fitness, increasing muscular strength, improving balance and coordination as well as bringing attention to weight loss. Run by an Exercise Physiologist who can modify the program to the individual needs of each participant. This class is suitable for Type 2 Diabetics, Cardiac Rehab, Pulmonary Rehab/Lungs in Action & Cancer Recovery.
\$10 per session.

Hydrotherapy: Physiotherapy treatment and exercise in warm water. Held at the Maclean Hospital Hydrotherapy Pool. Great for pain relief and getting your joints moving especially post surgery or post injury.
First 2 sessions \$65 each then ongoing classes \$15 each

Men's Fitness: 1 hour - Functional strengthening and cardiovascular training allowing easier everyday movement.
\$15 per session.

Physio 4 Core: 1 hour - Physio 4 Core helps build flexibility, muscle strength, and endurance in the legs, abdominals, arms, hips, and back. It puts emphasis on body alignment, improving coordination and balance, breathing, and developing a strong core or powerhouse. Our Physio 4 Core classes are modified to suit all levels, beginners to advanced.
\$15 per session.

Still Standing: ½ hour - This class focuses on just that; to keep you still standing and on the move. A class designed for the older adult to improve balance, coordination, strength and flexibility. This class is low intensity.
\$10 per session

Strength & Conditioning: 1 hour –Sports strength and conditioning is a group class encouraging athletes to progressively improve their optimal performance within their desired sport. The class focuses on correct technique development, improvements in strength and sport specific movements along with physical conditioning.
\$15 per session.

PhysioStretch: 1 hour - PhysioStretch increases health and well-being (physical, emotional, mental and social) through postures and movement, breath awareness and breathing exercises and meditation. This a great balance to your weekly exercise routine, with a good stretch.
\$15 per session.
