## **Class Descriptions & Pricing**

**Aqua Class - Maclean Olympic Pool:** 45 minutes - Gentle water exercise with a qualified Exercise Physiologist. An enjoyable class suitable for all levels of fitness held at the Maclean Olympic Pool. Please call Maclean Physio to register your interest on 6645 5800. **(This class is not held during the colder months)**  
Pay Pool Entry Fee on arrival + \$10 to Exercise Physiologist running the class.

**Body HIIT:** 50 minutes - Body HIIT is designed for those looking to mix up their training with a full body workout. It focuses on moving your body with a combination of higher intensity cardiovascular and body weight exercises.  
\$15 per session

**Gentle Circuit Class:** 50 minutes - This class is low impact and focuses on improving cardiovascular fitness, increasing muscular strength, improving balance and coordination as well as bringing attention to weight loss. Run by an Exercise Physiologist who can modify the program to the individual needs of each participant. This class is suitable for Type 2 Diabetics, Cardiac Rehab, Pulmonary Rehab/Lungs in Action & Cancer Recovery.  
\$15 per session

**Hydrotherapy:** Physiotherapy treatment and exercise in warm water. Held at the Maclean Hospital Hydrotherapy Pool. Great for pain relief and getting your joints moving especially post surgery or post injury.  
First session in Pool - \$70 then ongoing classes \$15 each

**Physio 4 Core:** 50 minutes - Physio 4 Core helps build flexibility, muscle strength, and endurance in the legs, abdominals, arms, hips, and back. It puts emphasis on body alignment, improving coordination and balance, breathing, and developing a strong core or powerhouse. Our Physio 4 Core classes are modified to suit all levels, beginners to advanced.  
\$15 per session

**Still Standing:** 30 minutes - This class focuses on just that; to keep you still standing and on the move. A class designed for the older adult to improve balance, coordination, strength and flexibility. This class is low intensity.  
\$10 per session
